

## **Electronic Device Use Agreement POLICY - 2021-2022**

During the instructional school day, (from arrival to dismissal) students are not allowed to carry electronic signaling devices (cell phones, electronic watches, gaming devices, etc.) UNLESS expressed permission is granted by Aspire school staff (e.g., student reinforcer, student activity period).

- If a student carries any of these items into school during the school day, it will be stored in the main office until the end of the school day. Students are not allowed to carry electronic devices during the school day.
- If a student is found with an electronic signaling device a second time, a parent/guardian will be required to pick up the device at the school.
- Multiple infractions may result in restriction of any signaling device entering the school building with the student for the remainder of the school year.

I understand that if my electronic device is taken out at any time during the day, my teacher may take it and keep it until dismissal time. I understand that if this happens more than once, I will not be allowed to bring my electronic device to school under any circumstances.
